

CHORUS 726

Product specification sheet

NEW
2013

The Chorus 726 embodies the affordable traditional high-end loudspeaker: the restyled cabinet, combined with the new design of the cloth frames give these speakers a modern and slender look. Very technologically advanced, the 3-way design combines the exceptional definition of the midrange and the power of the two 6.5" (16.5cm) woofers, providing a great, ample and generous sound for spaces up to 430ft² (40m²).

New suspension material "PORON".
Smoother sound.

6 1/2" (16.5cm) Polyglass midrange.
Highly dynamic and detailed midrange.

Two 6 1/2" (16.5cm) Polyglass woofers.
High power handling, more bass.

Aerodynamic port.
Low distortion.

Restyling of the cabinet
More contemporary design

Solid MDF construction
up to 1" (25mm) width.
Non parallel inner wall structure.

OPC crossover.
Perfect staging.
Insulated Focal terminals.

New grille cloth design
Better integration

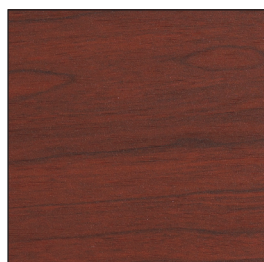

Chorus 726, Black Style finish.
