

FreeSpace® DS Aluminum Grilles

Product Overview

FreeSpace DS Aluminum Grilles for the DS 16SE, DS 40 SE and DS 100SE Surface-Mount Loudspeakers provide enhanced resistance to corrosion in harsh outdoor environments.

Key Features

- Eliminates the occurrence of unsightly red corrosion common with steel grilles used in harsh outdoor environments
- Made of 5052 aluminum alloy, hardcoat anodized with a powder coat finish
- Enhanced resistance to corrosion as compared to stock steel grilles
- Includes the Bose logo and stainless steel mounting screws for easy drop-in replacement
