

# MEGA GO BAR 50 RGBA

The ADJ Mega Go Bar 50 RGBA is a rechargeable lithium battery powered compact 24-inch (0.7-meter) LED lighting Bar that offers the creativity of RGBA color mixing for stage or wall washing, plus the freedom to set up your fixture where ever you wish without the restrictions of power. The built-in battery will keep a charge for up to 8 hours (full on) from a full, single charge.

This fixture uses LEDs rated at approximately 50,000 hours with a maximum power draw of 25W. DMX addressing may also be changed by the unit's 4-button LED display, or controlled by a DMX Controller or the ADJ RFC remote control (Both sold separately). There is no duty cycle on the Mega Go Bar 50 RGBA, plus users can "daisy-chain" the power from one unit to the next with the built-in IEC power Ins/Outs.

## Specifications:

- Rechargeable Lithium battery powered, 2 foot / 0.7 meter ultra bright, indoor LED Linear Fixture with 141, 10mm LEDs (23 Red, 48 Green, 47 Blue & 23 Amber LEDs)
- 7 DMX Channels: 1, 2, 4, 5, 6, 7 & 8 channels
- 5 operational modes: Auto (Program Run), Sound Active, RGBA Dimmer, Static Color and DMX-512 Mode
- Great as an architectural wall wash or for performance stages washing
- Smooth RGBA color mixing with rich palettes of color created by mixing the Red, Green, Blue & Amber LEDs (fast or slow color change operation)
- Rechargeable Lithium battery built-in to fixture
- Flicker Free
- 47 built-in Color Macros
- LED pulse & strobe effect
- DMX-512 Protocol
- Electronic Dimming: 0 - 100%
- Beam angle: 30-degree
- Linkable via 3-pin XLR cable
- 4-button LED display on rear panel
- IEC AC Power In/Out on rear to daisy chain power (Up to 25 Mega Go Bar 50 RBGA's)
- Compatible with ADJ RFC remote control up to 30 ft./ 10M (sold separately).
- Long life LEDs (Rated at approximately 50,000 hrs.)
- Low power consumption
- Very low heat output
- Run all night – No duty cycle
- Rechargeable Lithium battery life: 8 hours full on (with a full charge); 6.5 hours charge time
- Power Draw: 25W max
- Multi-voltage Operation: AC 100V/60Hz - 240V/50Hz
- Dimensions (LxWxH): 24.75" x 2.75" x 3.5" / 625x65x88mm
- Weight: 5 lbs. / 2.2 kg.
