

OC100T product information sheet

The OC100T is a low-cost, low-profile mounting solution for medium thin profile TVs.

Product Benefits

- Low 1.9" (49mm) mounting profile allows for easy connectivity and sufficient TV cooling
- Tilt 0°, +5° or +10° to reduce glare
- Ideal for ultrathin TVs with bottom- or side-loading connectors
- Includes universal rails and spacers for greater TV compatibility
- Single wall plate allows for quick installation
- Lift n' Lock™ allows you to easily attach your TV to the mount
- Small footprint provides ample room for power and A/V cutouts behind TV
- Sliding lateral on-wall adjustment
- Locking bar secures TV to mount
- Includes complete hardware kit

With a 1.9" (49mm) mounting profile, the OC100T sets TVs just far enough from the wall for easy connectivity while still allowing for sufficient cooling.
