

Product Specifications

SRH1440 Professional Open Back Headphones

Overview

Designed for mastering and critical listening, SRH1440 Professional Open Back Headphones from Shure provide full range audio with detailed highs and rich bass in a sleek, attractive design. The premium-padded headband with steel frame provides hours of listening comfort. An included storage case, replacement set of velour earpads, and an additional cable ensures years of uninterrupted listening enjoyment.

Features

- 40 mm neodymium drivers deliver full-range audio with rich, controlled bass
- Open-back, circumaural design for exceptionally natural sound, wide stereo image, and increased depth of field
- Impedance optimized for direct connection to wide range of portable audio devices
- Fully adjustable, premium padded headband with steel frame and sleek, ergonomic design for hours of listening comfort
- Oxygen-free copper cable (OFC) with Kevlar® reinforced jacket for superior performance and durability
- Dual-exit cables with gold-plated MMCX connectors provide secure connection and detachability for easy storage or replacement
- Replaceable velour ear pads with high density, slow recovery foam for exceptional comfort
- Additional oxygen-free copper cable and zippered storage case provide years of listening enjoyment and convenient storage
- Individually tested and serialized
- Legendary Shure durability to withstand the rigors of everyday use

Available Models

SRH1440	Includes a threaded 1/4" gold-plated adapter, zippered storage case, (2) dual-exit detachable cables, and additional pair of velour ear pads
