

VISUAL PERFORMANCE® SERIES

VP80R + Square Adapter

The VP80R introduces Sonance's award-winning Visual Performance Series aesthetic and best-in-class sonic performance at a new, entry-level price point.

Developed using the same state-of-the-art cutting-edge computer modeling software implemented throughout the next generation of Visual Performance Series, the VP80R features a chambered low-diffraction cloth dome tweeter and high excursion polypropylene woofer to deliver clear and

natural treble and clean effortless bass response across all listening levels. The VP80R is the perfect in-ceiling speaker for the client seeking a cost-effective solution that delivers a discreet low profile aesthetic combined with highly impressive sonic performance.

VP80R

Square Adapter w/ Grille

Key Features

Aesthetics

- Award-winning low profile microtrim grille
- Paintable to match ceiling color
- VP8SQ gives the speaker a square aesthetic (sold separately)
- Complement contemporary ceiling moldings & interior design

Performance

- Developed using cutting edge design and computer modeling software
- Consistent tonality and reduced distortion across all listening levels
- Chambered low diffraction cloth soft dome tweeter

- Clear and natural treble, lower resonance frequency
- High excursion, forward placed polypropylene woofer
- Smooth and effortless bass, reduces early reflections for cleaner sound

Installation

- One-piece grille with removable scrim cloth
- Simplified one-step painting process for a better finish
- Best-in-class fit and finish
- Magnetic retention system eliminates gaps between grille and ceiling, minimizing shadows
- Two-piece toggle feet

Specifications
