

Zee Vee: Distributed HD Video over Coax

**Corporate • Academic • Assisted Living • Stadiums • Bars & Restaurants
Digital Signage • Casinos • Hospitals • Houses of Worship • Hotels**

ZeeVee products are versatile and perfectly suited to a wide range of applications, from delivering digital signage, to venue-wide distribution of HD video. ZvPro and HDbridge solutions are a natural for commercial and residential HD video distribution. Affordability and compatibility with a huge range of sources and displays makes it simple to implement and distribute high quality digital video.

Zee Vee: ZvPro

The ZvPro Series comes with the same features built into its big brother, the HDbridge 2000 Series, but in a much smaller package and designed for deployments with just a few channels. ZvPro products feature video inputs for unencrypted HDMI, Component, or VGA, and are available in 1 or 2 channel configurations. All offer full 1080p/i video processing.

ZeeVee - ZvPro Series	
ZEE-ZVPRO610NA	ZeeVee ZvPro610 Component and/or VGA video in 1 Channel
ZEE-ZVPRO620NA	ZeeVee ZvPro620 Component and/or VGA video in 2 Channel
ZEE-ZVPRO810NA	ZeeVee ZvPro810 HDMI video in 1 Channel
ZEE-ZVPRO820NA	ZeeVee ZvPro820 HDMI video in 2 Channel

Zee Vee: HDbridge 2000 Series

Designed especially for high channel density where rapid deployment, advanced management and compatibility are critical. The HDbridge 2000 Series offers 4 HD family members that are available in 4 or 2 channel configurations. The SD model combines 8 channels in an incredibly affordable 1RU chassis. All models include closed captioning and are easily configured using a web-based interface that also provides multi-box management for speedy installations.

BEL-DB6U

BEL-DB6U

ZeeVee - HDbridge 2000 Series

ZEE-HDB2640NA	Component and/or VGA video inputs. Up to 4 channels at 1080p/i resolution. Comes standard with four 3' Component Video cables.
ZEE-HDB2620NA	Component and/or VGA video inputs. Up to 2 channels at 1080p/i resolution. Comes standard with two 3' Component Video cables.
ZEE-HDB2540NA	Component and/or VGA video inputs. Up to 4 channels at 720p resolution. Comes standard with four 3' Component Video cables.
ZEE-HDB2520NA	Component and/or VGA video inputs. Up to 2 channels at 720p resolution. Comes standard with two 3' Component Video cables.
ZEE-HDB2380NA	Composite video and analog audio inputs. Up to 8 channels at 480i resolution.

Taps / Splitters / Attenuators

1:2 splitters, usually in a T shape. 2.1 GHz Diplexer.

Tap Features:

- High performance diplexer
- Combine or split cable/antenna signals with satellite signals
- High quality PCB design
- Corrosion-resistant sealed construction
- Grounding hole for up to 6 awg wire
- Nickel plated die-cast zinc housing
- High quality machined threads for quick connectors

Part #	Description
IN-85332	2-Way, 5MHz-2.3 GHz
IN-85333	3-Way, 5MHz-2.3 GHz
IN-85334	4-Way, 5MHz-2.3 GHz

Splitter Features:

- Designed for easy mounting over cable
- Two grounding screws eliminate the need for grounding block
- All ports are F female connectors
- Includes two mounting screws (Phillips/slotted head)

Part #	Description
BTX-FAM1	1dB - FAM Attenuator Pads
BTX-FAM2	2dB - FAM Attenuator Pads
BTX-FAM3	3dB - FAM Attenuator Pads
BTX-FAM6	6dB - FAM Attenuator Pads
BTX-FAM9	9dB - FAM Attenuator Pads

Part #	Description
BTX-FAM10	10dB - FAM Attenuator Pads
BTX-FAM12	12dB - FAM Attenuator Pads
BTX-FAM16	16dB - FAM Attenuator Pads
BTX-FAM20	20dB - FAM Attenuator Pads

Attenuator Features:

- Tin/Nickel Plated Solid Brass
- 100 dB RFI Minimum
- Female to Male Fittings
- 22 Gauge Steel Center Pin
- 9 Different Values

Cables and Accessories

ZeeVee's unique DIN Connector cables are available in either Component or VGA. Both versions feature snug-fitting connectors, so cables won't come loose or fall out. On both versions, a full-size DIN connector plugs into the ZvPro or HDbridge unit.

Hydra™ AV Cable

ZEE-ZV7093

3 foot cable

ZEE-ZV7096

6 foot cable

The Hydra AV cable comes with Component video, Composite video (for closed captioning), Analog audio, and Digital (coax) audio connectors. Available in 3' and 6' lengths.

VGA Cable

ZEE-ZV7106

Cable, VGA, 6ft, AV 13P Male to VGA + Audio Plug, 1800mm, Black

The VGA/DIN connector cable comes with standard 15-pin VGA connector (with all EDID connections) and Digital (coax) audio connector. Available in 6' length only.

ZeeVee's legacy HDbridge series is available at www.btx.com

High Speed w/Ethernet

These rugged everyday cables support uncompressed digital video, multi-channel audio and allow 3D over HDMI when connected to 3D devices. Manufactured with gold plated HDMI (type A to type A) connectors, these assemblies support 4K x 2K and 1080p video resolutions with a data speed transfer rate that exceeds 10.2 Gbps.

Part Number	Description
BTX-HDMM01	HDMI male to male 1'
BTX-HDMM03	HDMI male to male 3'
BTX-HDMM06	HDMI male to male 6'
BTX-HDMM10	HDMI male to male 10'
BTX-HDMM12	HDMI male to male 12'
BTX-HDMM15	HDMI male to male 15'
BTX-HDMM20	HDMI male to male 20'
BTX-HDMM25	HDMI male to male 25'
BTX-HDMM35	HDMI male to male 35'
BTX-HDMM50	HDMI male to male 50'

Long Run High Speed

These Long Run High Speed HDMI cables not only go up to 65 feet without the use of repeaters, they support up to 1080p HDTV resolutions. They incorporate gold plated connectors and a high quality wire construction that maintains high definition video resolutions plus multi-channel digital audio. These heavy duty cables are rugged yet extremely flexible.

Part Number	Description
YD-HDXL24	HDMI male to male 24'
YD-HDXL32	HDMI male to male 32'
YD-HDXL49	HDMI male to male 49'
YD-HDXL65	HDMI male to male 65'

Kramer: RF Distribution Amp

Kramer 1x4 RF Distribution Amplifier. Takes One RF (CATV/MATV) signal and distributes it to four identical outputs. High Bandwidth of 3000MHz, RF Gain +6dB across band

Specs:

- INPUT: 1 RF, 0.5Vpp/75? (max.) on an "F" type connector.
- OUTPUTS: 4 RF, 0.5Vpp/75? (max.) on "F" type connectors.
- BANDWIDTH: 40MHz to 3000MHz (+/-3dB).
- COUPLING: AC. RF GAIN: +6dB typical across band.
- NOISE FIGURE: 3.5dB. POWER SOURCE: 12V DC, 80mA.
- DIMENSIONS: 12cm x 7.5cm x 2.5cm (4.7" x 2.95" x 0.98") W, D, H.
- WEIGHT: 0.32kg (0.71lbs) approx.
- ACCESSORIES: Power supply, mounting bracket.
- OPTIONS: KRA-RK3T 19" rack adapter.
