

ES-AW300-ICDVC-6

### Built for Sound

Thanks to premium components and dual voice coils for wider sound dispersion, the Episode® All Weather Series is optimized for outstanding performance. Whether placed under an eave or in the pool house, these speakers are perfect for easy listening on a weeknight or a party on the weekend.

### Designed for Durability

Whether it's extreme heat, excessive moisture, or another environmental hazard, these speakers are more than up to the challenge. A rugged build, UV-treated casing, stainless steel hardware, and weather-proofed glue allow for optimal performance in any weather.

### Engineered for Versatility

Near a sauna, on a patio, or out in the yard – these all-weather speakers are versatile enough to fit most any outdoor application, with full stereo sound from a single speaker.

| Tweeter:                       | Two ¾" Mylar Dome, Neodymium Motor, Ferrofluid Cooled        |
| Power Handling:                | 80W RMS, 200W Peak   |
| Nominal Impedance:             | 6 ohms each input  |
| Frequency Response (-6dB):     | 50 Hz - 20 kHz   |
| Sensitivity -2.83 V / 1 Meter: | 85db   |
| Temperature Range:             | -20°C/-4°F to 85°C/185°F                                     |
| Adjustments:                   | N/A  |
| Color:                         | White  |
| Crossover Frequency:           | 4 kHz  |
| Connector Type:                | 5-Way Gold plated binding posts                              |
| Weight:                        | 3.3 lbs.   |
| Grill Type:                    | Aluminum Micro-Perf Mesh                                     |
| Cutout Dimensions:             | 7.7" Diameter  |
| Mounting Depth:                | 3.4"   |
| Finished Dimensions:           | 8.8" diameter, 3.8" D  |
| Sold As:                       | Each   |

### Lifetime Limited Warranty

All Episode Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
