- 2-way, in-wall speaker
- Paintable grille and frame
- Moisture-resistant tweeter, woofer

660CS

The 660CS is a 2-way in-wall speaker in the popular Contractor Series, consisting of versatile quality speakers at highly competitive prices. This versatile speaker is well-suited for background music, as part of a whole-house solution. The 660CS uses a 6 ½ - inch polypropylene woofer and a ½-inch Mylar™ tweeter to deliver remarkably accurate sound, tailored to its in-wall design.

With its paintable grille, the 660CS is designed to blend seamlessly into the room—so all you notice is the great sound. The versatile 660CS handles a wide range of music or movie tracks with power and performance to spare.
